

The Global Healthcare Video Conferencing Kit

LOW COST - GLOBAL COVERAGE - PORTABLE GENERAL, MENTAL HEALTH and NURSING STATION

The multi-award winning Balconi Smart Torch - Global Live now brings its benefits to in-field healthcare. Extending the reach of existing video conferencing telehealth providers to a global one.

The patented technology ensures reliable operation over satellite and poor cell and copper based networks. The Balconi enhanced vision algorithms ensure quality video as low as 128Kbps

Fully contained in a portable Pelican 1560 Case.

- Standards Based Video Conferencing system
- Virtual Meeting Room
- Handsfree Operation
- Satellite, 3G, 4G, LTE connectivity
- High Quality Video at small bandwidths (Balconi Patented)
- Laptop connection
- Low Cost Hardware No Expensive Satellite Truck required
- Small Size Portable case with wheels
- Easy Set up No technical staff required
